

## Riesling!

### 2019 Bastei Riesling GG „Late Release“ - Traisen

VDP.GROSSES GEWÄCHS®

It is one of the most spectacular vineyards in the world. Like an amphitheater, the red rock encloses a small stage on which only the Riesling brings such impressive results. Out of our 7 vineyards, our “Bastei” vineyard is our warmest where ancient vines grow, and their roots reach deep into the hard rhyolite rock. A wine can hardly taste as mineral as the “Bastei GG”. Flint and herbal aromas give this wine its incredible complexity. It has a great tension and at the same time an embracing warmth of ripe fruity aromas. Like a firework, not overburdened but sublime. This will be an extremely great wine in 10, or better said in 15 years. Nonetheless, it is already a brilliant Riesling.

**We recommend Filet Wellington with beans and bacon and potato gratin. Also, savory sauce or roasted meals work very well with our “Bastei Riesling GG”.**

**Origin:** This vineyard lies in front of the highest rock face north of the alps. The vines root deep into the rhyolite rock and are surrounded by cooling winds. The Rotenfels-massif and its huge heat reservoir support the vines. During the day, the temperature is usually extremely hot, but drops quickly at night. This results in a spectacular wine from a spectacular vineyard.

Classification <b>VDP.GROSSES GEWÄCHS®</b>	Alcohol <b>12,5 %</b>
Sweetness Level <b>Dry</b>	Residual Sugar <b>5,6 g/l</b>
Grape Variety <b>Riesling</b>	Acidity <b>7,7 g/l</b>
Yield <b>25 hl/ha</b>	Serving Temperature <b>8-12°C</b>
Exposure <b>South</b>	Optimal Drinking Maturity <b>now - 2040</b>
Soil <b>Rhyolite</b>	
Inclination <b>Steep Slope</b>	
Vinification <b>Combination of Stainless-Steel Tanks and Oak Vats</b>
