

## Riesling!

### 2020 Steinberg Riesling GG – Niederhausen

VDP.GROSSES GEWÄCHS®

The 2020 Steinberg GG presents itself with an intense mineral character. The bouquet offers smokey and light yeasty aromas. During this extraordinary year, the grapes reached an optimal ripeness and offer aromas of peaches and apricots. Due to the combination of ripeness, light fruity aromas and minerality, the wine becomes complex yet at the same time seductive and tempting. Soft tannins support the citric acidity for a dry and deep finish. The cool and mineral aftertaste reminds of a premium wine out of the Chablis.

**In combination with food, we recommend roasted monkfish with fennel mousse.**

**Origin:** The name “VDP.GROSSEN LAGE Steinberg” derives from the high percentage of grand, strong, and bright stone in the ground. Vines up to 40 years old stand on the porphyry soil with a sparse layer of loess. Grapes, which result in distinctive wines with a multilayered aroma and crystalline minerality, grow in this vineyard. Cooling westerly winds ensure that the wine attains its balance.
