

## Riesling!

### 2020 Rotenberg Riesling GG – Altenbamburg

VDP.GROSSES GEWÄCHS®

The “Rotenberg” vineyard is located in Altenbamburg in the Alsenz Valley. This vineyard is the highest of our 7 vineyards at 250-350 meters above sea level. A cool tension and freshness characterize the image of the “Rotenberg GGs”. The bouquet offers juicy stone fruits, wild herbs, and zests of a tangerine. The combination of the multilayered aromas and the refreshing acidity gives this wine a vivid and powerful structure. A deep minerality and a smooth phenolic taste leads to complexity. This young wine has a long finish and a great aging potential.

**Enjoy this wine with Sous Vide Pork Belly with beans or with a savory sausage.**

**Origin:** The exposed, red-colored rock resemble images taken from the surface of Mars! The grapes grow on steep, south facing slopes whose soils developed during the time of the “Rotliegenden”. The rhyolite soils have a high amount of iron which gives the “Rotenberg” its name. A soft breeze ensures that the grapes ripen slowly.

Classification <b>VDP.GROSSES GEWÄCHS®</b>	Alcohol <b>12,5 %</b>
Sweetness Level <b>Dry</b>	Residual Sugar <b>3,9 g/l</b>
Grape Variety <b>Riesling</b>	Acidity <b>7,5 g/l</b>
Yield <b>30 hl/ha</b>	Serving Temperature <b>8-12°C</b>
Exposure <b>South</b>	Optimal Drinking Maturity <b>Now – 2035</b>
Soil <b>“Rotliegendes”, Rhyolite</b>	
Inclination <b>Steep Slope</b>	
Vinification <b>Combination of Stainless-Steel Tanks and Oak Vats</b>
