2020 Steinterrassen Riesling

Selection of VDP.GROSSE LAGE

The quality of this dry Riesling is the link between our VDP.Ortsweine and VDP.Grosse Gewächse. The base for this vineyard blend derives from our steep slope Grand Cru vineyard "Rossel Niederhausen". The main aromas of this Riesling are Amalfi-lemon and wild herbs, and its elegant structure and complexity are captivating. This "2020 Steinterrassen Riesling" is an astonishing elegant dry wine which is just starting to show its full potential.

A great food pairing for our "2020 Riesling Steinterrassen" is red meat, like Entrecote or Roast beef. Accompanied by grilled Vegetables and a creamy Risotto.

Origin: Due to this special microclimate in the "Rossel Niederhausen" you will find an extraordinary quality of grapes. Our "Steinberg Niederhausen" has a barren ground with volcanic origin. The rhyolite soils from the time of the "Rotliegenden" have a high amount of iron giving the "Rotenberg Altenbarnberg" its name. This wine is as diverse as the soils.
